experience

With more than 25 years of experience in hardware and software development **RT-Systemtechnik GmbH** is one of the leading electronics OEMs in the vehicle and special vehicle construction as well as in the agricultural and construction machinery sector. Our core competence is the development and series production of operating and control devices as well as camera systems. Shape the future of the agricultural and construction machinery industry with us and become part of our team.

We are hiring: Specialist warehouse logistics warehouse worker (m/f/d)

in full time or part time

Your tasks:

- Recording warehouse transactions and maintaining storage locations in the ERP system
- Incoming and outgoing goods inspection
- Labeling and storing goods, picking and packing of components

Your skills:

- Good computer skills and a sense of order
- Reliability and resilience
- A forklift driver's license and practical work experience are an advantage
- An independent work style, assertiveness and teamwork skills complete your profile

What awaits you:

- Family-run company with a positive work environment
- Independent, diverse, and responsible work in a future-proof and rapidly growing industry
- Personal and professional development opportunities
- A modern and bright work environment
- Flexible working hours
- Attractive benefits, from complimentary beverages to, e.g., a „businessBike“ and „Edenred“ membership

Is this position a good fit to you?
